

Student Response for Admissions Application File

This section must be completed by the your child and submitted with the application as part of the admissions process.

Please have your child complete this section on a separate sheet of paper. Parents may assist with reading and helping their child understand the questions. Children are then to complete their own work.

**If applying for grades K – 5, please select one of the following topics:
(Parents! Please write an explanation on the back of your child’s drawing for the admissions committee)**

- Write about or draw a picture of something you like to do when you are not in school
- Write about or draw a picture of a time when you were happy

If applying for grades 4 or 5 please select one of the following topics:

- Write about a time in your life when you felt successful. Describe why you felt this time period was successful.
- Write about something you like to do when you are not in school. Describe why you enjoy this activity.

If applying for the Middle School (grades 6 - 8) please respond in your own handwriting to all of the questions below:

- What is your favorite academic subject and why?
- What are your favorite activities and/or sports and why?
- What is your favorite book or magazine? Please write a paragraph explaining why.
- Describe the most memorable thing that has happened to you.
- Describe the most difficult challenge that you have ever had to face and how you responded to it.
