## Performing & Visual Arts

### Handbuilding Pottery

Dive into the imaginative world of clay! Fueled by their own creativity, students will build pinch pots, coil vases, and slab-built tiles with their own hands. All masterpieces will be fired, glazed, and sent home at the end of the course. (All work is food, microwave, and dishwasher safe.)

Grades: 2-5

Instructor: Chloe Rice

When: Thursdays

Time: 3:30-5:00

Class Starts: September 20<sup>th</sup>

Class Ends: December 6<sup>th</sup> (no class November 1st & 22nd)

Total sessions: 10

Location: MS Art Room

Fee \$180.00

Registration & Payment: Please contact Chloe Rice at [chloesrice@gmail.com](mailto:chloesrice@gmail.com)

### Wheelthrowing Pottery

Come play in the mud! In this wheelthrowing class, students will learn how to throw a mug, bowl, and plate; all ready to be used for their intended function. In addition, we will discuss surface and finishing techniques. Lastly, we will fire and glaze all wares so they may be taken home and enjoyed following the course. (All work is food, microwave, and dishwasher safe.)

Grades: 5-8

Instructor: Chloe Rice

When: Tuesdays

Time: 3:30-5:00

### **Wasatch Music**

For twelve years, both on and off campus, Wasatch Music has provided music lessons and ensemble opportunities for students in the McGillis community. Individual & group lessons are available for students exploring guitar, flute, sax, clarinet, base, or percussion. Lessons can be tailored to private or group (2-3 students) settings. Instructional duration is typically thirty minutes. All abilities welcome.

For further questions regarding registration, days & times, rates, payment and course specifics, please contact Dave Murphy at [wasatchmusicacademy@comcast.net](mailto:wasatchmusicacademy@comcast.net)

### **Beginning Techies Improv**

Life is a big improvisation. Whether it's actors making the best of mishaps on stage or techies behind the scenes frantically repairing a broken prop, the skills obtained in theater on and off stage benefit those who can problem-solve and make decisions on the fly. We will paint scenery, learn how to use a digital soundboard, and learn improvisational games and skills along the way. Our efforts will culminate in a final performance showcasing accomplishments made throughout the Fall.

Grades: Recommended for 4<sup>th</sup>-6<sup>th</sup>

Instructor: Sean Sweeney & Karen Nielsen-Anson

When: Thursdays

Time: 3:30-4:50

Class Starts: September 27<sup>th</sup>

Class Ends: December 6<sup>th</sup> (no class November 1<sup>st</sup> & 22<sup>nd</sup>)

Total Classes 9

Location: Stage

Fee: \$175.00

Registration & Payment: Please contact Sean Sweeney at [seany14@hotmail.com](mailto:seany14@hotmail.com)

### **Intermediate Techies Improv**

Some would say improv is like trying to construct an airplane in mid-flight. It requires timing, ingenuity, and trust in your tools. As we step off from beginning improvisational techniques, we will dive into long form and musical applications as well as learn more advanced forms of scene building. This class is offered for those who have completed our Beginning Techies class and are looking to take their existing skillset to the next level.

\*Prerequisite: Beginning Techies Improv

Grades: Recommended for 6<sup>th</sup>-8<sup>th</sup>

Instructor: Sean Sweeney & Karen Nielsen-Anson

When: Fridays

Time: 3:30-4:50

Class Starts: September 21<sup>st</sup>

Class Ends: December 7<sup>th</sup> (no class November 2<sup>nd</sup> & 23<sup>rd</sup>)

Location: Stage

Fee: \$175.00

Total Classes: 10

Registration & Payment: Please contact Sean Sweeney at [seany14@hotmail.com](mailto:seany14@hotmail.com)

## **Advanced Techies Improv**

You have to first learn the rules of improv so that you can enjoy breaking them! Do you want to advance into a world where improv is as second nature as breathing? Do you want to read your audience without even looking at them or hold them in suspense until you hit that grand punch line that the scene has been cuing up? Would you like to help us run the presentations at McGillis as a stage manager, sound designer, or simply wear a cool headset? This is where you can finally immerse your personality into improv.

\* Prerequisite: Beginning & Intermediate Techies Improv. There is an audition component to this course.

Grades: Recommended for 6<sup>th</sup>-8<sup>th</sup>

Instructor: Sean Sweeney & Karen Nielsen-Anson

When: Fridays

Time: 4:50 – 6:00

# Explorations

## **Futsal Training for Beginners**

Why Futsal? This indoor compliment to the game of soccer is an excellent tool for developing quick reflexes, fast thinking, and pinpoint passing. After learning the game, players exercise faster decision making, pass and move more rapidly, and often show greater creativity on the field. Learn the sport that helped make Messi, Neymar, and Ronaldo some of soccer's top players. Sam Rogers, who teaches Physical Education at The McGillis School, is a former professional soccer player and an experienced youth coach for the Utah Development Academy. This introductory class, tailored to beginners, will teach players the basic rules of soccer, and the accompanying foundational skills. Emphasis will be placed on developing the individual player through drills and scrimmages suited for beginners and younger players alike.

Grades: K-2

Instructor: Sam Rogers

When: Wednesdays

Time: 4:50-6:00

Class Starts: September 26<sup>th</sup>

Class Ends: December 5<sup>th</sup> (no class November 21<sup>st</sup>)

Total Sessions: 10

Location: MAC

Fee \$150.00

Registration & Payment: Please contact Sam Rogers at [srogers@mcgillisschool.org](mailto:srogers@mcgillisschool.org)

## **Next Step Futsal Training**

Why Futsal? This indoor compliment to the game of soccer is an excellent tool for developing quick reflexes, fast thinking, and pinpoint passing. After learning the game, players exercise faster decision making, pass and move more rapidly, and often show greater creativity on the field. Learn the sport that helped make Messi, Neymar, and Ronaldo some of soccer's top players. Sam Rogers, who teaches Physical Education at The McGillis School, is a former professional soccer player, and an experienced youth coach for the Utah Development Academy. This "next step" class, tailored to those who have existing Soccer or Futsal knowledge, will focus on more complex training and build on the foundations learned in the introductory class. Emphasis will be placed on further developing the individual player through complex drills and fast paced scrimmages suited for intermediate and advanced players.

Grades: 3-5

Instructor: Sam Rogers

When: Fridays

Time: 4:50-6:00

### **Spark Lab: Problem Solvers Challenge**

Spark that idea in your head and start solving hands on problems in Problem Solvers STEAM Challenge. This offering, themed around problem solving, will challenge students to work independently and collaboratively to solve STEAM themed challenges. Through various hands on, self-directed activities, students will explore their creativity, work collaboratively, and experiment through trial and error.

Grades: K-2

Instructor: Erika Collins

When: Mondays

Time: 3:30-5:00

Class Starts: September 17<sup>th</sup>

Class Ends: November 5<sup>th</sup>

Total classes: 8

### **Chess: Intermediate/ Advanced**

Intermediate and advanced chess is geared toward students who already know how to play and are looking to improve their game and prepare for tournament competition. Students should already know the value of pieces, the names of the squares, and how each piece moves and captures.

Students will review opening principals, improve their endgame techniques, solve tactical problems, and play practice games with fellow classmates. Emphasis will be placed on combinations, calculations, tactics, and visualization. Students will also practice using abbreviated algebraic notation and will be encouraged to notate their own games.

Grades: 2-8 (1<sup>st</sup> graders with existing knowledge of chess will be considered)

Instructor: Marti Olsen

When: Wednesdays

Time: 3:30-4:30
